

CLOSE THE DOOR!

**KEEP IT
COLD**

**SHUT IT
TIGHT**

**DROP
THE PROP**

LEAVING BACK DOORS AND REFRIGERATED BOX DOORS OPEN FOR ANY AMOUNT OF TIME ALLOWS HEATED OR AIR CONDITIONED AIR TO ESCAPE, WASTING ENERGY AND ADDING COST TO OUR OPERATION.

If you head outside for a break DON'T PROP THE BACK DOOR OPEN.

When you're stocking or pulling product from the refrigerated box, CLOSE THE DOOR.
